### Who we are

BARCC provides free, confidential support and services to survivors of sexual violence ages 12 and up, their loved ones, and professionals. We work with survivors of all genders from the immediate crisis to years and decades later. Our goal is to empower survivors to heal and seek justice in ways that are meaningful to them. BARCC's mission is to end sexual violence through healing and social change. We provide training and education in how to respond to survivors and prevent sexual violence. We also pursue change through legislative and policy advocacy.
