

# Dear men survivors, You are not alone.

If you are a man (cisgender or transgender), are 18 years of age or older, live in Massachusetts, and are a **survivor of sexual violence experienced in childhood and/or adulthood**, consider registering for the 2020 Days of Recovery. These free one-day healing events are designed to help men survivors develop a conscious relationship with difficult emotions that many sexual trauma survivors experience.

**Register Now**
